# MESSAGE FROM THE DIRECTOR

The staff at the Sheridan Recreation District is very excited for summer operations! Over the summer season, we stay busy offering youth and adult sport programs, aquatics at Kendrick Park Pool and outdoor education programs in the Bighorn Mountains. Folks in Wyoming take full advantage of fitting as many activities into the summer season as possible, and we are proud to offer programs and activities to help fill that schedule.

Kendrick Park Pool opens May 29th at 1 p.m. for open swim. For those interested in signing up for swim lessons, or in purchasing season passes or water exercise passes, we will have the office at Kendrick Pool open May 24-28 from 12 p.m. - 6 p.m. for early bird sign ups.

With the Wyoming High School Athletic Association officially sanctioning the softball in the state, youth softball is experiencing a resurgence in Wyoming. We hope to contribute to that positive trajectory by offering a local youth fast pitch softball league for grades 1 through 8. Check out more detailed information further into this guide.

Webb Wright baseball league, a long-time Sheridan tradition for youth grades 1 through 6, will once again be offered at Oatts Memorial Fields. Be sure to add catching a youth softball or baseball game at the park to your summer to-do list. Additionally, we will be offering Babe Ruth Baseball for ages 13-15 at Redle Field in Thorne-Rider Park.

In partnership with Bighorn Mountain Guides and Antelope Butte, we will be offering exceptional youth outdoor education opportunities. Nick Flores, a professionally certified climbing guide with Bighorn Mountain Guides, will be taking kids ages 8-18 rock climbing at several locations in our area. Not only will he teach them the skills to become a competent rock climber, he will also communicate the ethics of the sport.

Another great outdoor education program we are offering is the Outdoor Adventure Camps at Antelope Butte. These three day camps will offer youth the opportunity to go rock climbing and learn other skills such as “Leave No Trace,” orienteering, water purification, water testing for pollution and basic first aid.

For adults out there looking for summer activities, we have programs to fit your needs. We will be offering our traditional men’s, women’s and co-ed softball leagues at the Sheridan Community Softball Complex. No summer is complete without hitting the softball diamond!

We are offering an adult pickle ball doubles tournament June 12th at the new courts in Thorne-Rider Park. We are excited to add this new event to our summer schedule, and hope to be a part of this increasingly popular sport!

Make sure to grab an ice cream cone at Scoops in Kendrick Park — no summer is complete without at least a few stops by the locally-famous ice cream stand!

The Sheridan Recreation District staff and board always look forward to the summer months. We enjoy fulfilling our role in the community, and we hope to serve with excellence. For those in the community with new ideas or questions, don’t hesitate to contact us!
